

TX CAN *Institute*

On-Demand Sessions: February 14 – March 10, 2022
Synchronous Q&A Sessions: March 11, 2022

The 2022 TX CAN Virtual Institute addresses the need for increased opportunities and access for students with significant disabilities. Sessions will provide all stakeholders with information to broaden their own understanding of the capabilities of students with intensive support needs, and impart effective strategies to address those needs.

6

sessions from Dr. Cheryl Jorgensen
focused on the Inclusion of Students
with Significant Cognitive Disabilities

5

sessions from Ayo Jones
focused on the Indicators from
our Rubric of Effective Practices

**The TX CAN Institute is an exclusive event for people who have earned
3 badges by completing 3 TX CAN online courses by January 31, 2022.**
